MUSKAN

Python & Django Developer | Fresher / Intern

+91 87089 79448 muskan.pathak0506@gmail.com LinkedIn Profile

CAREER OBJECTIVE

Motivated MCA student with a strong foundation in Python and Django, seeking a fresher role or internship to contribute to real-world web development projects. Passionate about building efficient, scalable backend systems and eager to grow within a dynamic tech team.

TECHNICAL SKILLS

Languages	Python, C, C++, SQL
Frameworks	Django, Django ORM, Bootstrap, HTML
Libraries	Pandas, NumPy
Tools	Git, Redis, Celery

PROJECTS

Organisation Management System (OMS) | *Python · Django · Pandas · ORM · Redis · Celery · HTML · Bootstrap*

- Built a full-stack web application to manage the complete operations of an organisation, covering students, teachers, volunteers, and donors.
- Implemented role-based access control allowing distinct views and permissions for each user type.
- Developed automated attendance tracking for students, teachers, and volunteers.
- Integrated Redis and Celery to send scheduled reminders for volunteer visit centres and donor donation cycles.
- Leveraged Pandas for data processing and report generation across organisational entities.

Twitter Clone | *Python · Django · HTML · Bootstrap · CSS*

- Developed a multi-user microblogging platform with full CRUD functionality for tweets.
- Implemented user authentication, personalised home feed, and social features including likes and comments on other users' posts.
- Designed a responsive UI using Bootstrap and custom CSS for a clean user experience.
